The technical drawings include a front view and a side view of the cabinet. The front view shows a cabinet with a total width of 30 inches and a total height of 42 inches (18 inches for the upper section and 24 inches for the lower section). The upper section has a width of 15 inches and a height of 18 inches. The lower section has a width of 15 inches and a height of 24 inches. The side view shows a cabinet with a total width of 21 1/2 inches and a total height of 42 inches (18 inches for the upper section and 24 inches for the lower section). The upper section has a width of 21 1/2 inches and a height of 18 inches. The lower section has a width of 21 1/2 inches and a height of 24 inches. The side view also shows a depth of 12 inches for the lower section. A note indicates that the cabinet should be mounted 10 3/4 inches above the finished floor to the inside of the cabinet bottom. A warning box states: "Manufacturer Suggested Mounting Height. Verify Local Building Code."

All product dimensions are nominal.
